

Mulberry Funeral Directors - Representative of Golden Leaves Ltd

Funeral Planning

A funeral plan allows you to plan and pay for your funeral in advance and give you lasting peace of mind that everything is in hand.

With a funeral plan from Golden Leaves, you can secure the funeral director's fees at today's prices: in other words, there's no more to pay for the funeral directors' fees that are itemised within your funeral plan. Golden Leaves' funeral plans also include an allowance towards the cost of third-party fees like cremation or burial fees or the fee for the officiant at the funeral. Alternatively, you can opt for the Golden Leaves Third Party Fee guarantee. For an additional payment, you can secure the cost of third party fees so that these are locked in to the price of your plan.

Trusted provider of funeral plans

At Mulberry Funeral Directors we work in partnership with Golden Leaves to provide you with a way to plan and pay for your funeral in advance. Golden Leaves have been at the forefront of funeral planning since 1984 when funeral plans first became available in the UK, so you can trust that your family will be provided with care and service from industry experts.

The funds you pay for your funeral plan (minus a fee that Golden Leaves keeps for plan administration) are held in the Golden Leaves Trust which is separate from Golden Leaves and managed by an independent board of trustees to make sure that the funds for your funeral are there when the time comes.

Choosing your plan

We understand that everyone is different, which is why Golden Leaves' funeral plans are designed to hold your personalised wishes in one place.

With a Golden Leaves funeral plan, there are three simple ways to pay. You can select immediate cover with a payment in full or you can spread your payments over 12 interest-free monthly instalments or ask about Golden Leaves' credit payment option. Instalment or credit payment options are subject to age and health status but if you're interested in these, just ask Golden Leaves and they'll give you all the information you need.

Take the first step today by calling us on 01895 448718 or email us at info@mulberryfuneraldirectors.co.uk . Please note that we cannot discuss details of Golden Leaves' plans directly with you but we'll pass on your details so that an experienced Golden Leaves representative can contact you to discuss your requirements.
